

# Proudly Supporting Children's Air Ambulance 'KEEPING HOPE ALIVE'

children's  
**air ambulance**

keeping hope alive

PLEASE  
HELP US REACH  
OUR TARGET

The average cost of a mission is **£3,500** so every penny you raise helps to keep our helicopters in the air.

We can transfer a patient up to **four times faster** than a road ambulance!

**WE RECEIVE NO GOVERNMENT FUNDING.**

We have England's **first and only incubator on a helicopter** to assist specialist NHS transport teams during lifesaving flights.

**0300 3045 999**
