

Secret mission squad

Your mission, should you choose to accept it, is to complete random acts of kindness and good deeds.

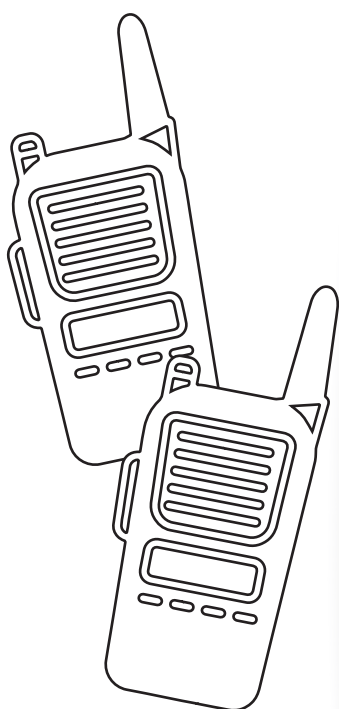

You could:

- Wash the dishes
- Leave happy notes around the house
- Tidy your room
- Hug a member of your household, just because
- Video call a family member or friend and sing them a song

Whatever it is...don't let them know that it's a secret mission.

Secret mission squad, assemble!
